OUR PROCESS

WE BEGIN BY LISTENING TO YOU

We bring our collective education and experience to each client relationship. We direct our energy, passion and expertise to the process of helping our clients succeed personally and financially.

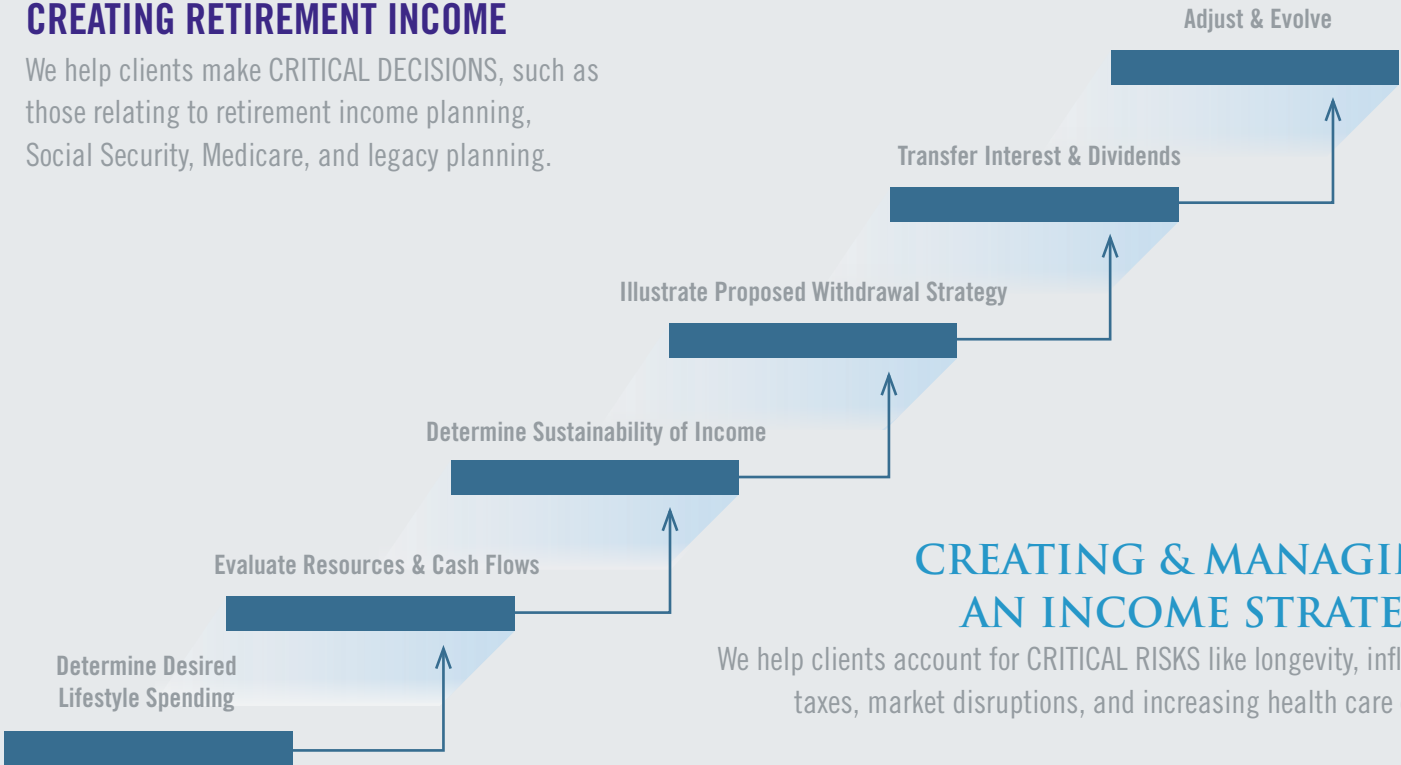

WE LEVERAGE THE EXPERTISE OF OUR RELIABLE PROFESSIONALS.

We are supported by a team of estate planning attorneys, tax planning specialists, insurance and mortgage specialists, increasing the breadth of knowledge we provide clients.

CREATING RETIREMENT INCOME

We help clients make CRITICAL DECISIONS, such as those relating to retirement income planning, Social Security, Medicare, and legacy planning.

CREATING & MANAGING AN INCOME STRATEGY

We help clients account for CRITICAL RISKS like longevity, inflation, taxes, market disruptions, and increasing health care costs.

CUSTOMIZED PORTFOLIOS

STRIKE THE PROPER BALANCE

Diversification — spreading your assets among investment types, styles, and markets is one of the few time-tested strategies for investors with long-term financial goals.

BE PREPARED

When tempted by current market conditions, we counsel clients that it's best to avoid predictions and to focus on preparations. We're prepared for a bull or a bear market. Re-balancing will be our primary tool to take advantage of high or low prices that may arise.

WE BELIEVE...

- In putting clients first, all the time.
- Everyone has goals and needs a plan.
- Taxes, inflation, and human emotions stand as the real adversaries of wealth.
- Complexity should be avoided.
- We can help minimize debt and manage it prudently.
- Successful investing employs patience and discipline.
- In diversifying to help minimize losses in down markets. Good decisions arise from facts, numbers, experience, and values.
- Risks should be clearly understood and communicated.
- Costs should be fully disclosed and value delivered.
- The media amplify emotion and volatility in the markets.
- Disaster, bad news, and fear often create bargains.
- If it sounds too good to be true, it usually is.
- No matter what you read or watch, it's crucial to keep in mind its origin.

WHEN YOU BECOME A CLIENT, YOU BECOME PART OF OUR WORK FAMILY.
